## Discover an MGU that Works for You.

RMTS  
LLC

### Meet Unmatched Service with RMTS

Committed to creating long-term stability for our clients through creative underwriting approaches since 1986.

## Our Services

All of our services are rendered in-house by an expert team of underwriters, attorneys, claims examiners, and account professionals.

### Medical Stop Loss

We offer a full range of stop loss policy options for self-funded and level funded health plans, ensuring your policy is with strictly A rated carriers.

### Claims Administration

Your claims are efficiently and accurately adjudicated by a dedicated claims representative assigned to your account, ensuring productive communication and a lasting relationship.

### Captive Reinsurance

We offer reinsurance for financially strong organizations with a single-employer captive to help secure greater long-term stability.

### Consultative Services

We provide personalized experts for compliance, risk management, and product development to help you make the best decisions for your business.

“RMTS’ support has allowed us to deliver on the needs of our clients. Not just in year one of the relationship, but also during the subsequent renewals. Our retention with RMTS is nearly 100%. This is not only the result of RMTS taking a steady approach to renewal underwriting, but is also reflective of the service they provide in all aspects of the client relationship.”

—Managing Director, Global Brokerage Firm
