# Risk Management You Can Trust

Partner with an MGU that prioritizes you.

At RMTS, we've built strategic plans and trusted relationships with self-funded and captive employers for nearly 40 years. Maximizing the value and stability of an effective plan design, we provide insights and ideas based on your level of risk, creating a solution that works best for you. See how we compare!

## Let's Compare

Direct contact with the decision-makers and product innovators

Product customization based on client needs, including captives and alternative funding options

Innovative technologies paired with our proprietary rate manual to help evaluate and price risk

High-performance vendor partnerships based on unique plan designs and needs

On-call availability and access to formulate the options you need when you need them

## Relationships Made to Succeed

As one of the largest and most experienced MGUs in the country, we've built our business one relationship and one policy at a time. Our priority is you. Whatever your needs are, our in-house team of expert underwriters, claims examiners, and account professionals are here to meet them.
