Protection that Goes the Extra Mile

Discover Medical Stop-Loss Solutions Tailored to You.

Meet Unmatched Service with RMTS

Committed to creating long-term stability for our clients through creative underwriting approaches since 1986.

Protection You Can Depend On

At RMTS, we offer a full range of reliable medical stop-loss insurance solutions covering self-funded health plans. We're committed to crafting a solution that fits your needs, and we go the extra mile to ensure quality — your policy is with strictly A+ rated carriers.

Partner with an MGU that Works for You

All of our services are rendered in-house by an expert team of underwriters, attorneys, claims examiners, and account professionals.

World-class expertise in building customized solutions

Proprietary rate manual for competitive pricing

Rate cap options to help budget premiums

Complimentary plan document review

Why Do You Need Stop-Loss?

Simply put, stop-loss serves as protection for self-insured employers. If a claim exceeds pre-determined levels, stop-loss provides a reimbursement mechanism so that claim does not become catastrophic to the business.

Stop-loss insurance helps with:

Risk Management

Customization

Future Forecasting

Better Employee Health Outcomes

Ready to find your unique stop-loss solution?
