

Your Partner in Stable, Successful Risk Management

Relationships Made to Succeed

As one of the largest and most experienced MGUs in the country, RMTS serves employers and organizations with medical risk management solutions for self-funded health plans. We've built a reputation for relationships our clients can call on—with us, you have a direct line to decision makers who respond to your needs with speed and expertise.

Services

All of our services are rendered in-house by an expert team of underwriters, claims examiners, and account professionals.

Medical Stop Loss

We offer a full range of stop loss policy options for self-funded and level funded health plans, ensuring your policy is with strictly A+ rated carriers.

Captive Reinsurance

We offer reinsurance for financially strong organizations with a single-employer captive to help secure greater long-term stability.

Consultative Services

We provide personalized experts for compliance, risk management, and product development to help you make the best decisions for your business.

Why RMTS?

- World-class expertise in building customized solutions
- Proprietary rate manual for competitive pricing
- No-laser renewals with rate caps
- Complimentary plan document review

At RMTS, we're committed to creating long-term stability for our clients through creative underwriting approaches with unmatched service and partnership.

Let's create a policy unique to your business goals!
